

# BannerWrap™

*Large-format banners look their best with our exclusive BannerWrap™ system – clean, taut and frame-free.*

**Get the look:** High-styled, high-placed, large-format banners wrapped around frames that are hidden from view.

Britten's BannerWrap™ is the solution. This extraordinary system uses ratchet straps on the back of the assembly to keep banners secure and taut.

Designed for interior or exterior use, BannerWrap works with banners of any size and any material from vinyl and canvas to our own wind-permeable AdMesh™. Your first banner is included free in your order! Ask too about our turnkey option, including on-site measurement, frame installation, and banner installation.

- Modern frame-free look
- Inside or out
- Aluminum or powder-coated steel assembly
- Any size or proportions
- Plazas, concourses and other public spaces

*Hidden ratchet strap tensioning keeps banners as large as 20' x 48' secure and smooth.*
