

EventTruss™

*Create sturdy, banner-ready structures in a snap.
Britten's EventTruss™ adds scale and excitement to your events, fast.*

We know what works: instant displays, entryways, backdrops, walkways and other structures that add color, scale and “wow” to your events.

So we perfected EventTruss™, a system so well engineered, even the most elaborate configurations snap together quickly.

EventTruss is made from strong, polished aluminum – 62% lighter than steel – so it's easy to handle.

Design your own structure, adapt one of our pre-set designs, or ask us to create something unique. We can even print your banners for a time-saving, high-quality turnkey solution. After all, we're Britten: we've got you covered!
