MallPaper™

Create a New Reality. With Our Digital Murals and Construction Barricades, Mall Corridors and Bare Stages Instantly Come Alive.

You won't believe it: Those beautiful storefronts aren't real. Instead, they're totally convincing, brilliantly printed, life-size images. It's more magic from Britten!

Our MallPaper™ is perfect for murals, backdrops, stages ... and, of course, shopping malls that want to disguise unoccupied or under-construction spaces with fun, full-color photos or sponsored advertising.

Choose from our portfolio of ready-to-print images, or send us your original artwork or photographs. Either way, we'll put our superior technology and top-notch people on the job, producing your wall-filling, wall-covering images ... and creating real excitement.

- Incredibly lifelike
- Magically transforming
- Use indoors or out
- Put a sponsored message on your empty space!
