

TruckSkin®

Britten
Banner Partner to the World

TruckSkin®

It's a Truck. It's a Billboard. It's Both!

TruckSkin® Easily Turns Your Trucks into High-Impact, Rolling Advertisements.

Talk about a “no-brainer”!! Your trucks are already out there. Now use them for something more than point-to-point shipping.

Britten's TruckSkin® turns your fleet into eye-catching advertisements that extend your brand beyond conventional marketing and advertising.

TruckSkin gets your message out in a big way, reaching potential customers all over town or all over the country. The patented frame — easily installed on your truck — makes it easy for billboard-sized ads to slip right in and holds them secure.

Change ads as often as you like, no problem. You can even turn to Britten for a complete, no-hassle turnkey solution: TruckSkin frame and banner printing, even design and installation. Learn more about TruckSkin and put your marketing program in high gear.

- Affordable mobile advertising, town-to-town or coast-to-coast
- For delivery trucks and semis
- DoorSkin™ for rear doors
- Our designers can create your ads
- Build business at any speed
- Easy to install or have us do it

Turn your fleet into rolling, eye-catching billboards.

Extend your advertising across town... or across the country.

Deliver your products and your message!
