

priorLIFE™

**Britten**
Banner Partner to the World

priorLIFE™

We would like to take this opportunity to let you know about a fantastic new product to help you grow your bottom line from priorLIFE.

Green is possible: Britten is excited to announce priorLIFE™ a new, green program to help you generate a new revenue stream and present yourself as an eco-friendly company. It's simple and easy to get started, all you need to do is send us your used vinyl panels once they have fulfilled their purpose and we will create a "new life" for them in the form of fantastic tote bags.

- Resell these one-of-a-kind bags to your customers
- Employee gifts
- Volunteer "Thank You's"
- Marketing tools
- Give them to your customer as a way of saying "Thanks"

Each project also receives its own unique tag that we will create, with your input, to make the product truly special and reinforce your commitment to your customer. Your clients will never forget you or your company. Carrying a piece of repurposed art on your shoulder is green and it's good business. We look forward to helping you and helping the environment!
